

DETAILS FOR ALL PROGRAMS

All programs include play time in our Barnyard Adventure Area. Where students can run, jump, slide and negotiate their way through a number of different types of mazes.

Programs can be mixed and matched to meet the needs of split classes and/or teacher preferences.

Our picnic area is available for lunches and snacks. Chocolate milk, water, fruit juices and assorted homemade cookies will be available for sale at our Food Kiosk. Ice cream is available on request.

Educational Field Trips

Spring 2011

Curriculum Based · Teacher Friendly
Interactive · Hands-On · Physically Active
Outdoor Fun

Eat Local Buy Local Support Local

Awesome Bees and Seeds

Hop on a wagon and take a ride to the apple orchard to investigate the world of outdoor living things using all five senses. See, touch, and smell the blossoms. Discover the awesome world of seeds and discuss the importance of bees and pollination. Plant a seed and learn what it needs to grow.

Grade Level: Primary - Grade 1
Curriculum Science and Physical Education
Correlation:
Length: maximum 3.5 hours
Program Fee: \$5.50/person plus HST
Teachers,EAs & chaperones FREE (as per Board policy)
Availability: May and June

Field And Woodland Critters

Go for a wagon ride and discover the furry, feathered, scaly and slimy creatures that inhabit our fields and woodlands. Discuss their roles and contributions to either the field or woodland habitat and how weather has effected those habitats.

Grade Level: Grade 2
Curriculum Science and Physical Education
Correlation:
Length: maximum 3.5 hours
Program Fee: \$5.50/person plus HST.
Teachers,EAs & chaperones FREE (as per Board policy)
Availability: May and June

Soil - Exploring a Precious Resource

Take a wagon ride and earth walk, discover the wonders of soil. Conduct a series of hands-on experiments, to determine the important properties of soil and how those properties can affect plant growth.

Grade Level: Grade 3
Curriculum Science and Physical Education
Correlation:
Length: maximum 3.5 hours
Program Fee: \$5.50/person plus HST
Teachers,EAs & chaperones FREE (as per Board policy)
Availability: May and June

Habitat Investigations

Become a habitat detective for a day. Search the woodlands and wetlands for clues or sightings of who and what lives in these two diverse habitats. Our detectives will record their findings and learn about plant, animal and insect relationships within these two unique environments.

Grade Level: Grade 4
Curriculum Science and Physical Education
Correlation:
Length: maximum 3.5 hours
Program Fee: \$5.50/person plus HST\$5.50/person.
Teachers,EAs & chaperones FREE (as per Board policy)
Availability: May and June

Weather - Power or Pussycat

Go for a hike and discover the kinds of weather phenomemon farmers are interested in and have a first hand look at the effects severe weather can have on a woodland environment. Along the way, visit our on-farm weather station where students will discuss the various weather instruments and how farmers utilize this data to make day to day cropping decisions.

Grade Level: Grade 5
Curriculum Social Studies and Physical Education
Correlation:
Length: maximum 3.5 hours
Program Fee: \$5.50/person plus HST
Teachers,EAs & chaperones FREE (as per Board policy)
Availability: May and June

Classification - Farm Style

Discuss the principles of classification, why classification is important and see first hand how farmers use it in their day to day operations. Take a walk around the farm and woodland area, where students will have an opportunity to apply the principles of classification to plants and animals they observe on their walk.

Grade Level: Grade 6
Curriculum Science and Physical Education
Correlation:
Length: maximum 3.5 hours
Program Fee: \$5.50/person plus HST
Teachers,EAs & chaperones FREE (as per Board policy)
Availability: May and June
