

DETAILS FOR ALL PROGRAMS

All programs include:

- 2011 Corn Mazes – “The Adventures of Robin Hood”. There are three distinct interactive mazes that will allow students and teachers to choose the appropriate level of challenge.
- Barnyard Adventure Area with a tunnel mountain, a double tunnel slide, a challenging rope maze, a spider web to climb, a hop dot maze, duck races, washer toss games, and an a straw bale obstacle course.

Programs can be mixed or matched to meet the needs of split classes and/or teacher preferences.

Our picnic area is available for lunches and snacks. Hot buttered corn is available for sale upon request.

Educational Field Trips

Fall 2011

Curriculum Based · Teacher Friendly
Interactive · Hands-On · Physically Active
Outdoor Fun

Eat Local Buy Local Support Local

Fall Harvest at the Farm

Take a walk to the orchard and pumpkin patch. Using their five senses students will discover the wondrous world of apples and pumpkins. While in the orchard, students will pick a small bag of apples to take home. The field trip will provide a wealth of experiences for creative writing opportunities.

Grade Level: Primary–Grade 2

Curriculum Correlation: Science, Language Arts, and Physical Education

Length: 2.5 to 3.5 hours

Program Fee: \$5.50/person plus HST= \$6.33

Teachers, EAs & chaperones FREE (as per Board policy)

Availability: September and October

Investigating Soils

Take an Earth walk, learn how to take a soil sample, examine a number of different soils and discuss the properties of each. While in the orchard, students will pick a small bag of apples to take home.

Grade Level: Grade 3

Curriculum Correlation: Science and Physical Education

Length: 2.5 to 3.5 hours

Program Fee: \$5.50/person plus HST= \$6.33

Teachers, EAs & chaperones FREE (as per Board policy)

Availability: September and October

Historical Journey

Hike through our beautiful Historic Walking Trail and visit the remains of an Acadian settlement, stand on the edge of a working dyke and watch the tides, view a Mi'kmaq campsite and the remains of a New England Planter's gristmill.

Grade Level: Grade 4

Curriculum Correlation: Science, Social Studies, and Physical Education

Length: 2.5 to 3.5 hours

Program Fee: \$5.50/person plus HST= \$6.33

Teachers, EAs & chaperones FREE (as per Board policy)

Availability: September and October

Evolution of Technology

Farming began with a hoe, a pitchfork, a shovel, and a horse-drawn plough. Visit the packinghouse, apple storage facility, and farm market to observe and discuss the different types of technology used in modern day farming, and how this relates to farming locally and in the Global Community. Explore the corn maze and discuss how it is designed and made.

Grade Level: Grade 5 and 6

Curriculum Correlation: Science and Physical Education

Length: 2.5 to 3.5 hours

Program Fee: \$5.50/person plus HST= \$6.33

Teachers, EAs & chaperones FREE (as per Board policy)

Availability: September and October
